

Utah Diabetes Telehealth Program

**3rd Wednesday
of each month**

**12:00 – 1:00 p.m.
(MST)**

Wednesday, October 15, 2008

Continuous Quality Improvement in Diabetes Care

Julie Day, MD & Annie Mervis, MSW

Dr. Julie Day practices general internal medicine and serves as a Medical Director in the University Health Care system in Salt Lake City. Ms. Mervis is a Quality Manager for the community clinics of the University Health Care system. Based on Standard 10 (CQI) of the National Standards for Diabetes Self-Management Education, Dr. Day and Ms. Mervis will provide insight into ways to improve diabetes care and education processes/outcomes for better clinical effectiveness, efficiency, and quality of care.

- CEUs offered for nurses (1.5 hours) and dietitians (1 hour) for all Diabetes Telehealth Programs -

Upcoming Programs:

November 19 – Measuring Blood Pressure (sponsored by Utah Heart Disease Program)
December 17 – Preventing and Treating Retinopathy
January 21 – Diabetes and Tobacco Cessation
February 18 – Gender Differences in Heart Disease and Diabetes
March 18 – Motivational Interviewing (TBD)

Please use registration form sent by email or online
